Chapman College Lectures by an authorized administrator of Chapman University Digital Commons. For more information, please contact laughtin@chapman.edu.

MISC. NOTES

"CHRISTIAN CULTURE"

Pomona College Rally--Simpson Auditorium

Los Angeles--May 27, 1910

Pomona College Library
Pomona, California L.A. May 27,
"Christian Culture" 1910

This beautiful Southland is destined to be the most populous section of this great country, & that at no distant day at same ratio that So. Cal. has been filling up during the last 15 yrs. in another decade & a half there will be in L.A. Co. alone a million people.

~~This people~~

There will comprise the most intelligent & cultured portion of our Nation's pop. While nearly concerns & all sorts of business enterprises will be carried on here, which with our large & varied agriculture will make our people prosperous & contented, they will not

be wholly given to business
 — not at all times & in all ways
 will they worship the Golden calf.

Many will turn to the Training
 & culture of the mind — to the
 higher arts. Here must
~~this beauty~~ be furnished
 the means & avenues for this
 higher Training & development.

It is vitally important therefore
 that the foundation of this work
 of culture shall be sustained
 & along Christian lines.

Such as P.C. is prepared
 to do & has been doing.
